The goal of this session is to provide tips and advice for pre-tenured faculty on writing their NSF CAREER proposals, with a particular focus on both the overall proposal content and a particular focus on the Educational Outreach component. Participants will benefit from the knowledge and expertise of Cornell faculty who won such awards and have participated in CAREER proposal review panels at NSF, and also hear about resources available from the Cornell Office of Proposal Advancement and the James McCormick Family Teaching Excellence Institute. PLEASE NOTE: THIS PANEL SESSION IS OPEN TO ASSISTANT PROFESSORS ONLY.
